## CONTINUATION OF COMPLAINT re:

**Eli Norman BLISS, Hanaa KANANI, and David Harold DECKER**

**PROBABLE CAUSE STATEMENT**

Furthermore, the complainant states that **Juan Jose TENJUAH-Santos, Esteban ALVAREZ-Santos, Efrain MONTOYA-Velasco, and Jorge MONTOYA-Velasco** are citizens of a country other than the United States; that said aliens have admitted that they are deportable; that their testimony is material, that it is impracticable to secure their attendance at the trial by subpoena; and they are material witnesses in relation to this criminal charge and should be held or admitted to bail pursuant to Title 18, United States Code, Section 3144.

On February 11, 2008 Supervisory Border Patrol Agent A. Filarecki was performing assigned duties as the Interstate 8 eastbound Border Patrol checkpoint supervisor. The check point is located approximately 30 miles east of the port of entry at Tecate, California and approximately 1 mile north of the United States/Mexico border fence. Agent Filarecki was in full Border Patrol uniform and checkpoint was in full operation.

At approximately 1:55 a.m., Border Patrol Agent M Bouchard, working the primary position of the checkpoint, had a bluish-gray Honda bearing Nevada license plates come to the stop sign. BPA Bouchard identified himself as a United States Border Patrol Agent and asked the two visible occupants of the car as to their citizenship. The driver, defendant **Eli Norman BLISS** stated that he was a citizen and national of the United States. The passenger, defendant **Hanaa KANANI** stated that she too, was a citizen and national of the United States. These were the only two visible occupants of the Honda. BPA Bouchard noticed that a spare tire was in the back seat. BPA Bouchard asked where they were going and BLISS responded that they were going to San Diego. BPA Bouchard knew that the vehicle was traveling away from San Diego and headed toward El Centro. BPA Bouchard directed BLISS to pull the vehicle into the secondary inspection area for further investigation.

The Honda pulled into the secondary inspection area and then immediately accelerated, failing to yield to BPA Bouchard's directions to stop. SBPA Filarecki, along with Border Patrol Agent B. Harbourt, followed the vehicle in a marked Border Patrol sedan and alerted the Boulevard Border Patrol station that he was going to switch radio frequencies to El Centro West to alert El Centro Border Patrol Agents to the vehicle and its location. At 1:57 a.m., SBPA Filarecki notified El Centro units that the vehicle fled the checkpoint and is now eastbound on Interstate 8. At approximately 2:10 a.m., SBPA Filarecki attempted a vehicle stop on the Honda. The Honda yielded, but with KANANI as the driver and with BLISS as the passenger.

SBPA Filarecki asked the driver to open the trunk. When the trunk opened, there were two males inside the trunk area. After identifying himself as a United States Border Patrol Agent, SBPA Filarecki asked the two male persons as to their citizenship. Both admitted to being citizens and nationals of Mexico illegally present in the United States. SBPA Filarecki placed all four occupants of the Honda under arrest.

At this point, the four individuals were being searched incident to their arrest when KANANI started saying that there was another vehicle involved, a blue Mustang, and that they had illegal aliens as well. While KANANI was announcing this, a blue Mustang passed the location of the vehicle stop. KANANI stated "That is the car right there". SBPA Filarecki and BPA Harbourt and went after the blue Ford Mustang to investigate further. After catching up to the Mustang, SBPA Filarecki activated his emergency lights and siren. The Mustang immediately pulled over.

SBPA Filarecki approached the vehicle and identified himself as a United States Border Patrol Agent and questioned the only two visible occupants as to their citizenship. The driver, defendant **David Harold DECKER Jr.**, stated that he was a United States citizen. The front seat passenger, a female later identified as **Brooke Lynne DENNISTON** also stated that she was a citizen of the United States as well.

SBPA Filarecki noticed blankets and many personal effects, along with tools in the back floorboard area. Agent Filarecki asked defendant DECKER if he could look in the trunk of the vehicle. Defendant DECKER gave Agent Filarecki permission to look in the trunk and Agent Filarecki asked him to step out and open the trunk for him. DECKER exited the vehicle and walked to the rear of the vehicle and said "I don't want them anymore." SBPA Filarecki asked the defendant what he meant by this and the defendant further stated "They have been at my house all day, you can have them." SBPA Filarecki told defendant DECKER that he didn't understand what he was saying so SBPA Filarecki asked defendant DECKER "who, who don't you want anymore?" As the trunk opened, defendant DECKER said "them."

The opened trunk revealed two males in the trunk. Again, SBPA Filarecki questioned the two in English as to their citizenship. The two males did not respond to the questions, so SBPA Filarecki asked the same question in the Spanish language. The two males admitted to being citizens of Mexico illegally present in the United States. The two males from the trunk were arrested for Entry Without Inspection and both the driver, defendant DECKER, and passenger of the Mustang, DENNISTON, were arrested for Alien Smuggling. All eight individuals were transported back to the Boulevard Border Patrol station for processing.

#### STATEMENT OF DEFENDANT ELI NORMAN BLISS:

The defendant was advised of his rights as per the Miranda Warning. The defendant understood his rights and agreed to be interviewed without representation. Defendant BLISS stated that he is a citizen of the United States. BLISS stated that on February 11, 2008 he drove from La Mesa, California to the Golden Acorn Casino near Boulevard, California. BLISS stated that while at the casino, he was with his girlfriend while gambling. BLISS stated that once he drove to the Border Patrol Checkpoint, he knew "something was up". BLISS added that Hanaa told him to let her drive and to not stop in the inspection area at the checkpoint. BLISS said that he was not aware of illegal aliens in the trunk of the car and that he did not know why there was a spare tire on the back seat of his car. BLISS admitted that he has a criminal record and that he is on parole. BLISS added that he has never smuggled before and does not know the people in the blue Ford Mustang.

#### STATEMENT OF DEFENDANT HANAA KANANI:

The defendant was advised of her rights as per the Miranda Warning. The defendant admitted that she understood her rights and agreed to be interviewed without representation.

KANANI stated that she is a citizen of the United States. KANANI stated that on February 11, 2008, while at home in La Mesa, California, she was hanging out with her boyfriend, defendant Eli BLISS. KANANI stated she had not had the opportunity to leave her house recently and was planning on going to the casino. KANANI added that it didn't make sense to go to the Golden Acorn Casino because she and defendant BLISS did not have any money. KANANI admitted that two individuals who were driving in a Ford Mustang came over to her house in La Mesa. KANANI stated that this was the first time she met the driver of the Ford Mustang, Decker (defendant David Harold DECKER), and the passenger, a 16 year old female. KANANI stated that defendant BLISS knows David.

While at her house in La Mesa, KANANI stated that David appeared to be waiting for a phone call. KANANI stated that they drove from La Mesa to the Golden Acorn Casino. KANANI stated that they followed the blue Mustang, driven by David, into a turnaround near the gas station at the Golden Acorn
